

Building a Community that Supports the Success of Children

THE ROUNDTABLE REVIEW

May 2018 Issue

A Message From The Director:

We have always heard April showers bring May flowers. Last month, we were able to give “flowers” in April in the form of a plaque and recognition to our beloved Vern Melvin, founding member of the Roundtable who recently became the Regional Managing Director for the Southeast Region for the Department of Children and Families. It is with deepest gratitude that we thank Vern for his unfading commitment and leadership to the Roundtable and our community that has been sustained over two decades in St. Lucie County. The Roundtable was established in 1998 and grew to what it is today - a collection of committed “Leaders United for Children”, and is indeed part of Vern’s legacy.

Speaking of May flowers, we have an opportunity to raise awareness for children and families in our community who truly need life to blossom. May is National Children’s Mental Health Awareness Month. We are proud to announce our very own Youth Leadership will be utilizing the St. Lucie County’s Video PSA Grant recently awarded to the Roundtable, to develop a mental health awareness PSA. At the beginning of the year, we asked our youth to prioritize issues that were of concern for St. Lucie County students. At the top of their list, they identified mental health and wanted to raise awareness about this issue that indiscriminately affects youth across the student population - from athletes and high-performing students, to students who are not active in school activities and/or are struggling academically. Our youth are also developing a photovoice project around this issue. We are looking forward to unveiling the final products to the community. Stay tuned.

Last month, our Youth Leadership and Kids at Hope Staff also had an opportunity to participate in raising awareness for Child Abuse Prevention Month. They, along with our very own hero Chief John Bolduc, participated in the Children’s Home Society Treasure Coast Heroes 5K Run/1-Mile walk in Jensen Beach. We enjoyed lots of fun and food, while being socially conscience and aware of giving flowers to and supporting the vision of Children’s Home Society of “building bridges to success” for children along the Treasure Coast. Please see page 3 for details.

Health Department Director Clint Sperber and staff gave lot of flowers recently to their volunteers who work so hard for them at their 17th Annual Volunteer Appreciation luncheon.

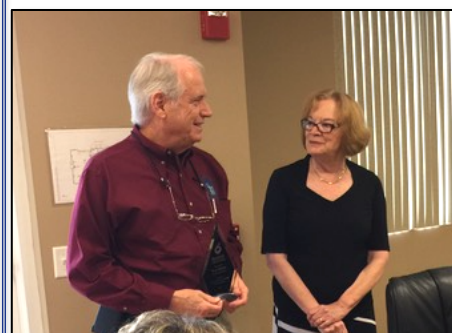

As we move through this month, let us remember those around us who need flowers, after the showers. I smell blossoms in the air!

Enjoy!

Teresa Bishop

*Thank
you*

Vice Chair Mayor Linda Hudson thanked Vern Melvin for his many years of serving on the Roundtable. Mr. Melvin was a founding member back in 1995.

The Roundtable of St. Lucie County is a nonprofit 501(c)(3) organization comprised of agencies working together with partners and stakeholders throughout the community to address the issues our children face at the root level. Its members are leaders of all aspects of society who come together to build a community of opportunity where every child succeeds.

The Roundtable operates through networks, each of which focuses on key aspects that affect the lives of our children.

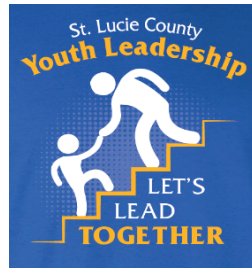

Introducing the NEW **Youth Leadership St. Lucie Logo!**

On April 21, 2018, the new Youth Leadership St. Lucie logo made its debut displayed on the tee shirts worn by several of the students from Youth Leadership Port St Lucie. The logo exemplifies the motto “Let’s Lead Together”. The premise of Youth Leadership is student led and adult guided. The logo depicts an adult leading by extending a hand to help a youth up the stairs to success in life.

Youth Leadership St. Lucie empowers teens to become good problem solvers, communicators and advocates. The youth address community challenges facing teens through devising community projects, serving in community events, and carrying the concerns of teens to community leaders.

The design was created by Youth Leadership St. Lucie member, Jessie Delphin. Jessie is a junior at Treasure Coast High School. Currently she volunteers at St Lucie Medical Center and various clubs at school. Jessie stated on her application, “I am confident that I will help our youth so that they can have a closer relationship with their families and have good goals to work towards”. Youth Leadership members in both Port St Lucie and Fort Pierce had an opportunity to submit a design for a new logo, and Jessie’s creation won the most votes of her peers. By winning the logo contest, Jessie is the recipient of \$20 gift card.

Congratulations to Jessie!

Youth Leadership St. Lucie Supports CHS “Heroes 5K Run/Walk”

Seven members of Port St. Lucie’s Youth Leadership group proudly supported the Children’s Home Society’s 3rd Annual Treasure Coast 5K Run/1 Mile Walk and Fun Run for Kids on Saturday, April 21st at Indian Riverside Park, which was held to raise funds for vulnerable families in our community. Children’s Home Society provides and connects families to a broad spectrum of services to include counseling, fostering, adoption, parenting, child development, mentoring, and case management.

The Roundtable’s Youth Leadership St. Lucie members made the decision to support this incredible organization without hesitation and vowed to participate again in this event next year.

Perhaps the teens’ dedication can be attributed to the shared belief of both Youth Leadership (as a Kids at Hope initiative) and Children’s Home Society that every child has potential and is capable of success. Representing the Roundtable, Youth Leadership was proud and honored to support Children’s Home Society as one of its many exceptional community partners.

On behalf of Youth Leadership St. Lucie, we’d like to extend a special and heartfelt thank you to Port St. Lucie Police Department and Roundtable Chair Chief John Bolduc for presenting us with this valuable opportunity, and for demonstrating exceptional leadership skills for our youth to emulate.

5-2-1-0 Let's Go!

The Department of Health (DOH) School Health Nurses promoted the 5-2-1-0 Let's Go! message to students in Weatherbee, Floresta, and Morningside Elementary schools. They educated 690 students about fruits/vegetables, physical activity, recreational screen time, and water. They greeted the students as they arrived to school and provided education in classrooms, cafeterias, and during their PE classes. The DOH School Readiness Program brought 5-2-1-0 Let's Go! to 145 students from five Early Learning Coalition childcare centers: The Children's Garden 1 and 2, Little Angels Learning Academy, Little Angels Learning Academy, and Dreamchaser Preschool.

FRESH STOP MOBILE MARKET BUS

The St. Lucie County Food Policy Council took a trip to Orlando to visit the Health Empowerment Through Behavioral and Nutritional Initiative (HEBNI) team and tour the Fresh Stop mobile market, which is a bus that is outfitted with special refrigerated racks for fresh vegetables and fruits. The Fresh Stop visits 16 different food desert neighborhoods in Central Florida. HEBNI is a community-based, not for profit (501)(c)(3) agency formed in 1995 to educate high-risk, culturally diverse populations about nutrition strategies and chronic diseases.

Stop The Bleed Campaign

The Florida Department of Health (FDOH) in St. Lucie County, in cooperation with the St. Lucie County Fire District, the Medical Reserve Corps and Lawnwood Regional Medical Center & Heart Institute, have initiated a county-wide Stop the Bleed campaign. This effort began in March when a Train the Trainer class was held at the Health Department and 16 instructors were trained. Since that time, they have trained nearly 130 people including the entire security staff at Indian River State College and 30 teachers and administrators from the St. Lucie Public Schools. A plan is in place to greatly expand their instructor cadre and train all the faculty and staff in all the schools in St. Lucie County as well as any place of worship that would like the class. While the FDOH is initially targeting “high-risk” locations, eventually the program will be offered to any and all residents.

St. Lucie County BOCC presented FDOH-St. Lucie and St. Lucie Fire District with a proclamation for National Stop the Bleed Day and we presented the County with a Stop the Bleed Kit.

Pictured from left to right: Peter Allen, Public Health Preparedness Coordinator, FDOH-St. Lucie, Frannie Hutchinson, Chair, St. Lucie BOCC, Clint Sperber, Administrator, FDOH-St. Lucie, Robert Golden, Port St. Lucie High School Student, Nate Spera, Chief, St. Lucie Fire District, Sonya Crosby, MRC Coordinator, FDOH-St. Lucie and Martin.

FDOH-St. Lucie, St. Lucie Fire District and St. Lucie BOCC recognized Robert Golden, a local high school student hero, for applying a tourniquet on a motorcyclist during a traffic accident in December 2017.

CITY OF FORT PIERCE MAYOR LINDA HUDSON NAMED DISTINGUISHED ALUMNA

City of Fort Pierce Mayor Linda Hudson was recognized recently with the Indian River State College Distinguished Alumni Award. The award is presented annually to an outstanding graduate who has achieved a high level of success in his or her chosen career and is an exemplary role model for students. The honor was conferred during the College Awards Ceremony, where Hudson served as the event's featured speaker.

"IRSC alumni are actively involved with both their communities and their professions, setting higher standards, improving relationships, and bringing about change for future generations," said Dr. Edwin R. Massey, IRSC President. "No one embodies this spirit more so than Mayor Linda Hudson, and we are pleased to present her with this year's Distinguished Alumni Award."

A native of Fort Pierce, Mayor Hudson graduated from Indian River Junior College in 1964 with an Associate of Arts degree. She furthered her education at the University of Florida, graduating in 1966 with a Bachelor of Arts degree in English and History. Hudson then pursued a career in association management in Chicago, Illinois, and after marking a 25-year career, retired in 1994 as a vice president with the Illinois State Medical Society.

Hudson then returned to her hometown of Fort Pierce where she became active in several civic and cultural organizations. In 2012 she was elected Mayor of the City of Fort Pierce—the first female elected to that office—and ran unopposed for reelection in 2016. She currently serves as President of the Treasure Coast Regional League of Cities and is past Chair of the Treasure Coast Council of Local Governments. She earned the Florida League of Cities Home Rule Hero Award in 2015 and again in 2017 for her advocacy efforts with the state legislature. Mayor Hudson is active in community service and, among other commitments, serves as Vice Chair of the St. Lucie County Executive Roundtable, an organization that seeks to build a community where every child succeeds.

In her address to students, Mayor Hudson reflected on the journey that brought her back to Florida and the importance of service to others. "Education never stops," says Hudson. "If you're open to it, you can learn something from every person you meet, every job you perform, and every experience. Lifetime learning comes from the conviction that you don't know everything, and from an attitude that learning from every situation is your job."

Clint Sperber and Dr. James Strawn (The Volunteer of the Year). Dr. Strawn founded the HANDS Pediatric Dental Clinic and volunteers with the health department.

BRIDGES TO PROSPERITY, ST. LUCIE

Economic Prosperity for All: NO EXCEPTIONS!

If you are looking to end poverty in your community or lessen its impact on people, the environment, and local organizations and businesses, explore the innovative concepts found in *Bridges Out of Poverty*. If poverty is left unchallenged, then sustainability and prosperity for us all will be impossible. It's not just about a few of us. It's about all of us.

***Bridges Out of Poverty* helps communities:**

- Move individuals from poverty to self-sufficiency
- Reduce social costs related to crime, poor health, and welfare
- Strengthen educational attainment and job skills
- Enhance economic development
- Improve on-the-job productivity
- Revitalize neighborhoods
- Build a sustainable community where everyone can live well

DATES FOR COMMUNITY-WIDE *BRIDGES OUT OF POVERTY* TRAINING

	DATE	TIME	LOCATION
FRIDAY	MAY 18, 2018	8AM-4PM	INDIAN RIVER STATE COLLEGE, R132
FRIDAY	JUNE 8, 2018	8AM-4PM	INDIAN RIVER STATE COLLEGE, R132
FRIDAY	AUGUST 3, 2018	8AM-4PM	INDIAN RIVER STATE COLLEGE, R132
FRIDAY	OCTOBER 26, 2018	8AM-4PM	INDIAN RIVER STATE COLLEGE, R132
FRIDAY	FEBRUARY 1, 2019	8AM-4PM	INDIAN RIVER STATE COLLEGE, R132
FRIDAY	APRIL 12, 2019	8AM-4PM	INDIAN RIVER STATE COLLEGE, R132

If you wish to participate in the workshop, please register by calling Debbie Dorn at 772-462-7647 or ddorn@irsc.edu

Cost is \$15.00. Participants are on their own for lunch.

Bridges to Prosperity, St. Lucie serves as the Economic Sufficiency Network of the Roundtable of St. Lucie County, Inc., which is a not-for-profit 501(c)(3) charitable organization comprised of community leaders united to build a community that supports the success of children.

Youth Mental Health First Aid Course

May 17 or June 12, 2018 8:30 am – 4:00 pm
at Indian River State College, Room W251
3209 Virginia Ave., Fort Pierce, FL 34981

Sometimes, first aid isn't a **bandage**, or **CPR**, or the **Heimlich**, or calling **911**.
Sometimes, first aid is **YOU!**

A young person you know could be experiencing a mental health challenge or crisis.
You can help them.

Youth Mental Health First Aid introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations and connect them with the appropriate professional, peer, social, or self-help care. Anyone can take the 8-hour Youth Mental Health First Aid course, but it is ideally designed for adults who work with young people, ages 12-18 — teachers, coaches, leaders of faith communities, health and human services workers, social workers, and other caring citizens.

Sometimes, the best first aid is you. Take the course, save a life,
strengthen your community.

REGISTER ONLINE AT:
